Bernina Foot Of The Month

With a savings of 25% off the regular retail price, you can sew decorative stitches in circles, make yo-yos, and applique perfect circles and more. *Offer is available at participating BERNINA Stores through May 31, 2017 while supplies last.

Embroidery

Embroidery is much more than just towels and baby clothes! Take a look around at the current fashion. What do you see? Embroidery! Yep it's coming back into fashion again, but the only downfall to that is the prices for that garment or item is high. With your own embroidery machine you can make those garments and items for less! Even customize that item to your liking. There is a big world of embroidering. For an example I purchased a little toddlers denim jacket and Casey embroidered an unicorn and a phrase on the back of it for her granddaughter.

We have a special on all our Embroidery machines during Mother's Day weekend. With a purchase of an embroidery machine you can receive 25% hoops and the software.

Reminder - With a purchase of a machine from the store you will receive FREE classes on it. In the class we teach you the techniques of your machine and its presser feet. With an embroidery machine we show you everything you need to know! From what stabilizer's to use to how to download and transfer an embroidery design.

Mother's Day Special
